

Health & Social Care

Level 2 Diploma

Working in health and social care will give you the chance to make an important contribution to people's lives, when they need it most. You'll develop the skills to deliver an excellent standard of care and create a safe and healthy environment for those you care for.

The Level 2 Diploma is recognised by the Care Quality Commission and Care Council and is funded by the Government and EU Social Fund (*subject to eligibility*) meaning it won't cost you anything. This course is work-based so learners will not have to leave the workplace and can fit study around their job.

The Level 2 is aimed at care workers and support workers and is built up from a selection of units. We'll help you put together the right combination to fit the job you're doing and the way you want to develop your career. Whether you are supporting adults with dementia, learning disabilities or children and young people there will be units to suit your job role. There are many optional units available but have listed a selection below.

How do our courses work?

- Work based learning gives you the opportunity to learn while you work and gain a qualification in your chosen profession
- Your qualification will last 12 months in most cases and can be started at any time of the year.
- Qualifications are available to most people over 16 years old employed for more than 16 hours a week
- An experienced, qualified assessor will visit your work place once a month for the duration of the course.
- Your assessor will assess your knowledge, competency and work skills via observations, professional discussions and setting work based projects.
- Gaining a Maths and English Functional Skills certificate makes up part of this Apprenticeship, however you may be exempt if you already have equivalent qualifications.

Why choose a work-based qualification?

- As part of an initiative to develop skills in the UK workforce the Government and EU Social Fund will pay for your qualification! (*Please check with ABM, as funding allocations do change*).
- This award is recognised by the Care Quality Commission and Care Council and will help enhance career progression.
- With our support and guidance you will enhance your skills and competency in your role.
- We work with you to decide the best time for you to be assessed and how you can complete the knowledge required for this qualification.
- Our courses are delivered at your workplace.

Why you should choose ABM Training

- We offer a learner centred service which means that we work around you and your workload.
- We have a family run culture, where our staff really care and go the extra mile to help enhance your skills and career development.
- We cover the Kent and London areas and have a team of experienced, qualified tutors.
- ABM have recently achieved the Matrix Quality Standard award, which is a fantastic achievement: "The Matrix Standard is the unique quality framework for organisations to assess and measure their information, advice and/or guidance services, which ultimately supports individuals in their choice of career, learning, work and life goals".
